

We are a worldwide operating project management
Company located in Kenzingen, Germany.

We are looking for an employee as

Project Manager (m/f)

controlling all the project costs and processes.

Working for us means, working for a future-orientated
building culture and developing this to a higher level. We are
working as general contractor and project developers for
exclusive clients. This demands an integrally planning of all
architectural disciplines from the early beginning.

We would be more than thankful when you take
responsibility and help us realizing the projects of our clients.

Do you have a degree in Architecture, constructional
engineering or structural engineering?

Are you self-contained, a team player and able to make your
point clear?

Are you interested to bring in your own skills?

Do you want to supervising the building process from A to Z?

If you interested, don't hesitate to contact us for a first
interview.

We are looking forward to hear from you.

Schmidt Planungsgesellschaft mbH
